2. use name labels on back of pictures to identify. Be careful when writing as to not ruin the picture.
3. 4/6" max size for pictures submitted. Do not frame.
4. Contest runs from January 1 through Dec. 31. Pictures need to be send to program judge no later than Feb. 1, and entries will be judged and showed at the spring convention each year.
5. Ribbons will be given for first second and third in all classes. One overall grand prize ribbon will be given each year. I feel like there should be 3 people judging the photos, so there is no problem .

I am open to suggestions, love it hate it. Just let me know what you think. I would like to introduce this if possible in the fall Regional, so people could take pictures right away. Thanks for responding to me.
